

Cancellation Policy

While we understand that things may come up, it is very important that we receive notice of a change in plans in advance. Because of the level of service we provide our patients, your appointment is especially held just for you so that we have the right amount of time for your procedure.

We reserve the right to charge a \$100 fee for any broken appointment for which we are not provided 48 hours notice. If given adequate notice, your reserved time can be made available for another patient. In addition, when patients do not show for their appointment, we are not given the opportunity to reschedule that time with another patient who has a dental need.

Thank you for understanding the value of time we devote to each of our patients.

I have been advised of Village Smile Care's financial and cancellation policy.
